Potential Sponsor or Donor:

Flourish Mentoring Program actively prepares young Black Women through mentoring and training to be competitive in education, equipping them with the skills necessary to excel in the global job market, and by simultaneously fostering the importance and beauty of Black womanhood and sisterhood. With its conception on July 9, 2015, Flourish is now one year old! It has been a year of milestones and growth that only makes us excited for the future of Flourish. The growth of Flourish was marked by the continued growth of monthly meeting attendance, the recognition of Flourish as a 501(c)(3) tax exempt organization, and the celebration of everything our girls have learned during the 1st Women of Dreams Gala.

Flourish's vision was implemented by the execution of several focused monthly meetings. Some of the monthly meetings allowed the girls to participate in official college tours of local universities, etiquette classes, cooking classes, canvassing and fundraising training, hygiene workshops, and public speaking training. Although each workshop had a different focus, all workshops were filled with fun, bonding, and enlightenment.

The 2015-2016 cohort of Flourish Mentoring Program represented grades 6 through 10, 5 middle and high schools, and 4 cities in the Pee Dee and Coastal areas. This year Flourish will be expanding in order to support opportunities for the expected larger 2016-2017 cohort. This is where your support comes in.

Financial support is necessary to ensure the continued implementation of Flourish's vision, to support Flourish's expansion, and to continue the betterment of the girls in Marion County and surrounding areas. All outside funding and sponsorship is used to provide food, transportation, t-shirts, and workshops for the girls. We are asking for any financial support you or your business are capable of providing. We also recognize that your business has viable sponsorship potential and we look forward to partnering with your business.

Flourish extends appreciation for any assistance you and/or your company may provide. We trust that this information provides sufficient details about our organization and our need for financial support from your business.
